

First ECVET Café

As part of the ECVET project, the NCFHE has organized on October 2nd, 2018, the first out of four ECVET cafés for 2018. National ECVET experts and other ECVET and validation stakeholders were present to discuss the most recent developments in Malta.

ECVET training sessions

Two training sessions, organized as part of the ECVET project in Malta, took place on October 25th at NCFHE. All licensed providers in Malta were invited to attend these sessions to get an overview of ECVET, writing learning outcomes and MQF levels. The second session also discussed ECVET and its link to the validation of informal and non formal learning and student mobility. Another similar session is planned for November 8th, 2018.
